27 July 1950

MEMORANDUM FOR: Assistant Director, OSI

SUBJECT: Atomic Energy Intelligence

1. Herewith is a copy of the 25 July reply from the Executive Secretary of NSC to the DCI memorandum of 20 June transmitting the comments of the Intelligence Advisory Committee on the 6 Recommendations in the Report.

2. As I understand it from our conversations this morning, this will be used merely for your information and to close your files on this case, since so much of it applies to matters outside the scientific field and your Office.

3. COAPS, through [REDACTED], will take up and follow up on the implementation "Actions" 1-7 with the CIA Offices concerned and eventually, through IAC procedures, with the outside Agencies.

4. The Director wishes to take no action at this time on No. 5 - until he knows what action Mr. Webb has taken with our recent reply to his 7 July letter transmitting the State-Defense Staff Study of 1 May.
